**What's the hottest diversity-management topic these days? Generational communications. How are the most progressive companies opening doors for younger workers, retaining valued older workers, and getting everyone to work well together? Find out during DiversityInc's Generations at Work webinar July 21, featuring [Deloitte](#) and [Allstate](#).**

Learn exactly what best practices, work/life benefits, and communications strategies these companies use to address generational concerns. Find out how to start employee-resource groups for younger and older workers, and how to develop and use mentoring programs.
