**Retention of valuable talent, especially from traditionally underrepresented groups, is even more critical at a time when most corporations are restructuring and downsizing.**

Why are some companies able to retain valued workers at equal rates, regardless of race/ethnicity or gender, while others note certain groups leaving at far higher rates?

Find out the most successful, proven retention strategies from The DiversityInc Top 50 Companies for Diversity®.

Learn how to create and maintain a competitive advantage through:

- Employee-resource groups to identify corporate-culture issues that cause turnover
- Mentoring initiatives to create a viable pipeline for the future
- Professional-development opportunities to strengthen the skills of your future leaders

If you are thinking about improving your retention rates-especially during an economic downturn-you won't want to miss this webinar.
